Meeting No: 2018.04

14 June

The Amenity Horticulture, Landscaping, Conservation & Land Management Industry Reference Committee (IRC) met at the Adina Apartments Hotel Meeting Rooms, Sydney Airport on 14 June 2018. Present at the meeting were experts and members of peak body associations in this industry.

Department of Education and Training announces approved projects

Simon Stratton from the Department of Education and Training addressed the meeting about the proposed projects in the AHC Agriculture, Horticulture and Conservation and Land Management Training Package, relevant to both this IRC and the Agriculture and Production Horticulture IRC.

The following projects were approved for the Amenity Horticulture, Landscaping, Conservation and Land Management IRC:

- Carbon Farming
- Sports Turf

The following projects require more information:

- Conservation and Land Management
- Landscaping
- Production Nurseries
- Rooftop and Vertical Gardening

The IRC agreed that the Rooftop and Vertical Gardening project would fit well in the Landscape Gardening project.

Case for Endorsement – Chemical Handling

Members of this IRC supported the submission of the finalised Case for Endorsement - *AHC Agriculture, Horticulture, Conservation, and Land Management Training Package Version 3.0* to the Australian Industry Skills Committee (AISC).
