AHC41916 Certificate IV in Arboriculture

Release 2

AHC41916 Certificate IV in Arboriculture

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Qualification Description

This qualification provides occupation outcomes with a range of specialised knowledge and skills to undertake skilled work and as a pathway for further learning required for supervising arborists in the arboriculture industry.

This qualification is suitable for an Australian Apprenticeship.

Occupational licensing, legislative or certification requirements may apply to this qualification in some jurisdictions. Specific determination should be sought through the relevant State or Territory.

Entry Requirements

There are no entry requirements for this qualification.
