INDUSTRY REFERENCE COMMITTEE COMMUNIQUE

Meeting No. 2019.02

The Amenity Horticulture, Landscaping, Conservation and Land Management Industry Reference Committee met via teleconference on 7 March 2019 in Melbourne. Below is the discussion and outcomes of that meeting. Present at the meeting were members and guests including several representatives from State and Territory ITABs/ITACs.

AHC Industry Skills Forecast and Proposed Schedule of Work 2019 –2022

IRC members discussed the report's content and the membership of upcoming projects.

The lack of consistency and alignment to current job roles between ANZSCO and ANZSIC codes, and the ASCED Field of Education codes for the industries in the AHLCLM IRC was raised in the Skills Forecast.

New Policy: Changes to Scope of Projects

The IRC adopted the Guidelines for Change of Scope Approvals. The delegate can make a decision but the Chair's signature will be added to the change of scope.

Current Projects Presentation

Project Managers for Carbon Farming, Arboriculture and Sports Turf gave an update to the IRC.

Next Meeting

The next meeting of the Amenity Horticulture, Landscaping, Conservation and Land Management IRC is expected to be held in May 2019.
