

22-05 Ag & Hort Core Skills Project - Agriculture Qualifications

OLD Qual code from TGA	OLD Qual Title from TGA	NEW Qual code	NEW Qual title	Qualification Outcome	Changes that have been made	Equivalency
AHC10216	Certificate I in Agri-food Operations	AHC102XX	Certificate I in Agriculture	Major Change (New Code)	Updated to meet standards for Training Packages Qualification title change Revised packaging rules to better reflect outcomes Revised core units Added, updated and removed elective units	Not equivalent
AHC20116	Certificate II in Agriculture	AHC201XX	Certificate II in Agriculture	Merged	Updated to meet standards for Training Packages Qualification merged with AHC21210 Certificate II in Rural Operations Revised packaging rules to better reflect outcomes Total number of units reduced by 2 units Core units revised and increased by 1 unit added and updated elective units	Not equivalent
AHC21216	Certificate II in Rural Operations	AHC201XX	Certificate II in Agriculture	Merged	Updated to meet standards for Training Packages Qualification merged with AHC20116 Certificate II in Agriculture Revised packaging rules to better reflect outcomes Total number of units increased by 1 unit Core units revised and increased by 1 unit added elective units list	Not equivalent
AHC30116	Certificate III in Agriculture	AHC301XX	Certificate III in Agriculture	Major Change (New Code)	Updated to meet standards for Training Packages Revised packaging rules to better reflect outcomes Core units revised Added, removed and updated elective units Added Group C elective units list	Not equivalent
AHC32816	Certificate III in Rural Operations	AHC328XX	Certificate III in Rural Operations	Major Change (New Code)	Updated to meet standards for Training Packages Revised packaging rules to better reflect outcomes Revised core units Added elective units lists and elective units.	Not equivalent
AHC33719	Certificate III in Protected Horticulture	AHC337XX	Certificate III in Protected Horticulture	Major Change (New Code)	Amended packaging rules. Updated core units. Added and updated elective units.	Not equivalent
AHC40116	Certificate IV in Agriculture	AHC401XX	Certificate IV in Agriculture	Major Change (New Code)	Updated to meet standards for Training Packages Updated qualification description Revised packaging rules to better reflect outcomes Revised and increased core units by 2 units Added and updated elective units	Not equivalent
AHC50116	Diploma of Agriculture	AHC501XX	Diploma of Agriculture	Major Change (New Code)	Updated to meet standards for Training Packages Updated qualification description Revised packaging rules to better reflect outcomes Added core units list, and revised and increased core units by 3 units Added removed and updated elective units	Not equivalent

Ag & Hort Core Skills Project - Horticulture Qualifications						
OLD Qual code from TGA	OLD Qual Title from TGA	NEW Qual code	NEW Qual title	Qualification Outcome	Changes that have been made	Equivalency
AHC10316	Certificate I in Horticulture	AHC103XX	Certificate I in Horticulture	Major Change (New Code)	Updated to meet standards for Training Packages Revised packaging rules to better reflect outcomes Revised and increase core units by one unit Updated elective units	Not equivalent
AHC20416	Certificate II in Horticulture	AHC204XX	Certificate II in Horticulture	Major Change (New Code)	Updated to meet standards for Training Packages Revised packaging rules to better reflect outcomes Revised and increased core units by 3 units Added, removed and updated elective units	Not equivalent
AHC30716	Certificate III in Horticulture	AHC307XX	Certificate III in Horticulture	Major Change (New Code)	Updated to meet standards for Training Packages Revised packaging rules to better reflect outcomes Increased total number of units by one unit Revised and increased core units by 6 units Added, removed and updated elective units	Not equivalent
AHC40416	Certificate IV in Horticulture	AHC404XX	Certificate IV in Horticulture	Major Change (New Code)	Updated to meet standards for Training Packages Updated qualification description Revised packaging rules to better reflect outcomes Revised and increased core units by 3 units Added electives group A and B, added, removed and updated elective units	Not equivalent
AHC50416	Diploma of Horticulture	AHC504XX	Diploma of Horticulture Management	Major Change (New Code)	Updated to meet standards for Training Packages Qualification title change Entry requirements added to qualification Revised packaging rules to better reflect outcomes Added core units list and revised and increased core units by 5 units Added electives group A and B, added, removed and updated elective units	Not equivalent

Ag and Hort Safety and Core Skills Project - Community Coordination and Facilitation Qualification

OLD Qual code from TGA	OLD Qual Title from TGA	NEW Qual code	NEW Qual title	Qualification Outcome	Changes that have been made	Equivalency
AHC51216	Diploma of Community Coordination and Facilitation	AHC512XX	Diploma of Community Group Coordination and Facilitation	Major Change (New Code)	Updated to meet standards for Training Packages Qualification title change Revised packaging rules to better reflect outcomes Added core units list and revised and increased core units by 4 units Added, removed and updated elective units	Not equivalent

Ag & Hort Core Skills Project - Units

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
Community Coordination and Facilitation - CCF						
AHCCCF401	Prepare project acquittal	AHCBUS4X11	Prepare project acquittal	Major Change (New Code)	Unit of competency; changes to unit application and sector, minor changes to element 4, and performance criteria 1.1, 3.1, 3.3, and 4.1 to 4.2, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits, and added "recorded and reported cash and in-kind contributions". Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF402	Report on project	AHCBUS4X10	Report on a project	Major Change (New Code)	Changes to application and sector, minor changes to performance criteria 1.1 to 1.3, and 3.2 to 3.4, and foundation skills added. Addition of frequency and minor edits to performance evidence. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF403	Obtain and manage sponsorship	AHCCCF4X3	Obtain and manage sponsorship	Major Change (New Code)	Unit of competency; changes to unit application, minor changes to performance criteria 1.2, 1.4 to 1.5, 2.4, 2.6, 3.1 to 3.2, 3.4, and 4.3, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF404	Contribute to association governance	AHCCCF4X4	Contribute to association governance	Major Change (New Code)	Unit of competency; changes to unit application, major and minor changes to element 3, performance criteria 1.1, 2.1 to 2.4 (including amalgamation of two PCs and addition of one new PC), 3.1, removed 3.5 and renumbered PC that follow, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and added ", to ensure:", "association objectives and constitution are being adhered to", "resolutions of meetings are being followed", "finances are properly managed", "employees are managed and volunteers are appropriately supervised", "legislative requirements are being met", "ethical requirements are being met", and "group operations and approaches are sensitive to and inclusive of community and sections within the community". Major and minor edits to knowledge evidence, and added "SWOT analysis techniques", and major edits to assessment conditions.	Not equivalent
AHCCCF405	Develop community networks	AHCWRK4X6	Develop community networks	Major Change (New Code)	Changes to application and unit sector, minor changes to performance criteria 1.5, 2.5, and 4.1, and foundation skills added. Addition of frequency and minor edits to performance evidence. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF406	Facilitate ongoing group development	AHCCCF4X6	Facilitate ongoing group development	Major Change (New Code)	Unit of competency; changes to unit application, minor changes to Elements 2 and 4, and performance criteria 1.2, 2.1, 2.3, 3.1, 4.1 to 4.2, and 4.4, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits. Minor edits to knowledge evidence, added "conflict resolution techniques", and removed "general understanding of natural resource management, sciences and technologies associated with program", and major edits to assessment conditions.	Not equivalent
AHCCCF408	Promote community programs	AHCWRK4X7	Promote community programs	Major Change (New Code)	Changes to application and unit sector, minor changes to performance criteria 2.4 and 5.2 to 5.3, and foundation skills added. Addition of frequency and minor edits to performance evidence. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
AHCCCF411	Develop approaches to include cultural and human diversity	AHCCCF4X11	Develop approaches to include cultural and human diversity	Major Change (New Code)	Unit of competency; minor changes to application, minor changes to Element 3, and performance criteria 2.1 and 3.1, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits. Minor edits to knowledge evidence, and major edits to assessment	Not equivalent
AHCCCF415	Coordinate social events to support group purposes	AHCCCF4X15	Coordinate events to support group purpose	Major Change (New Code)	Unit of competency; changes to unit title and application, major and minor changes to performance criteria 1.1 to 1.5, 2.1 to 2.6 (including addition of one new PC), and 3.2 to 3.3 (including addition of one new PC), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF416	Present proposed courses of action to meeting	AHCCCF4X16	Present proposed courses of action at a meeting	Major Change (New Code)	Unit of competency; changes to unit title and application, major and minor changes to performance criteria 1.1, 1.3 to 1.4, and 2.1 to 2.3 (including addition of two new PCs), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and added "documented proposed course of action including costs and benefits", and "sought committee input and approval for proposed course of action". Minor edits to knowledge evidence, and added "cost benefit analysis relevant to presenting proposed courses of action", and major edits to assessment conditions.	Not equivalent
AHCCCF502	Facilitate development of group goals and projects	AHCCCF5X2	Facilitate the development of group goals and projects	Major Change (New Code)	Unit of competency; changes to unit title and application, minor changed to Element 3, major and minor changes to performance criteria 1.1 to 1.3, 2.2, 3.3 to 3.5 (including removal of two PCs), and 4.2, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and added "lead group through an evaluation process of alternative projects to determine whether the project:", "matches members interests and skills", "scope is within the resources of the group or network of regional groups", "compliance with program scope", "can be resourced within available funding", and "has the potential for acceptance". Minor edits to knowledge evidence, and removed "mediation and facilitation strategies", and major edits to assessment conditions.	Not equivalent
AHCCCF503	Promote group formation and development	AHCCCF5X3	Promote group formation and development	Major Change (New Code)	Unit of competency; changes to application, major and minor changes to performance criteria 1.2, 2.2, 3.1, 4.3, and 4.5, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF504	Support group and community changes in resource management	AHCCCF5X4	Support group and community change management processes	Major Change (New Code)	Unit of competency; changes to unit title and application, major and minor changes to element 2, and performance criteria 1.1 to 1.2 (including splitting one PC into two), 2.2 to 2.3 (including reordering of two PCs), and 3.2, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF505	Contribute to regional planning process	AHCCCF5X5	Contribute to regional planning process	Major Change (New Code)	Unit of competency; changes to application, major and minor changes to performance criteria 1.3, and 3.5, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and added "developed proposals for improvement to draft plans". Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
AHCCCF601	Coordinate the development of regional plans	AHCCCF6X1	Coordinate the development of regional plans	Major Change (New Code)	Unit of competency; changes to application, minor changes to performance criteria 3.1, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits. Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
Common - CMN						
AHCCMN201	Contribute to animal care through work activities	AHCWRK1X2	Contribute to animal care	Major Change (New Code)	Unit of competency; minor changes to unit title, application and sector, major and minor changes to elements 2 and 3, performance criteria 1.1, 1.6, 2.1 to 2.6, 3.1 to 3.3 (including removal of one PC), and 4.2 to 4.3, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and removed "identified species using common names", "planned a daily routine to complete required workplace tasks", "adapt and modify activities depending on differing workplace contexts and environment", "demonstrated appropriate initiative to deal with problems or refer them where appropriate to supervisor", "use basic interpersonal and communication skills, including listening, questioning and receiving feedback", "used routine capture and restraint procedures", "apply relevant industrial or legislative requirements", "keep required records of workplace activities", "recognise and adapt appropriately to cultural differences in the workplace, including modes of behaviour and interaction with staff and others", and "apply time management skills". Minor edits to knowledge evidence, and removed "diseases and pests, disease prevention and routine health care", "hazards in the workplace", and "quarantine requirements", and major edits to assessment conditions.	Not equivalent
Infrastructure - INF						
AHCINF201	Carry out basic electric fencing operations	AHCINF2X1	Carry out basic electric fencing operations	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.2 to 1.3, 1.5 to 1.6, 2.2 to 2.4 (including removal of one PC), and 3.1 to 3.3 (including removal of one PC), and foundation skills. Assessment Requirements; performance evidence - major and minor edits, and removed "minimised environmental impact", and "determine fencing resources and measurements to construct fencing". Major and minor edits to knowledge evidence, and added "manufacturer operating instructions for electric fencing equipment", and removed "estimating and calculating electric fencing requirements", and "environmental considerations when disposing of waste materials", and minor edits to assessment conditions.	Not equivalent
AHCINF202	Install, maintain and repair farm fencing	AHCINF2X2	Install, maintain and repair farm fencing	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.2 to 1.7, 2.4, 3.3, and 4.1 to 4.3 (including removal of one PC and addition of one new PC), and foundation skills. Assessment Requirements; performance evidence - major and minor edits, added "reported farm fencing installation, maintenance and repair activities and unserviceable tools and equipment", removed "recorded work activities according to work instructions". Major and minor edits to knowledge evidence, and removed "environmental considerations when disposing of waste materials", and minor edits to assessment conditions.	Not equivalent

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
AHCINF203	Maintain properties and structures	AHCINF2X3	Maintain properties and structures	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.2 to 1.5 (including removal of one PC), 2.1 to 2.4 (including removal of one PC), 3.1 to 3.2, and 4.1 to 4.3, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and added "applied workplace health and safety requirements, including fitted and used personal protective equipment (PPE)", "conducted pre-operational checks and replaced or separated for repair tools and equipment identified with faults", and "reported property and structure maintenance activities and unserviceable tools and equipment". Minor edits to knowledge evidence, and added "disposal and recycle of waste material, including identification and disposal of hazardous material associated with property and structure maintenance", and removed "relevant Codes of Practice and procedures with regard to protection of the environment", and "appropriate selection of repair materials", and major edits to assessment conditions.	Not equivalent
AHCINF204	Fabricate and repair metal or plastic structures	AHCINF2X4	Fabricate and repair metal or plastic structures	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.2 to 1.8 (including addition of two new PC's), and 3.1 to 3.3, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and added "conducted pre-operational checks and replaced or separated for repair tools and equipment identified with faults". Minor edits to knowledge evidence, and added "disposal and recycle of waste material, including identification and disposal of hazardous material associated with fabrication and repair of metal or plastic structures", and removed "environmental codes of practice with regard to equipment operation and maintenance activities", "various types of welders and respective functions", "operating principles and operating methods for equipment", and "environmental impacts and minimisation measures", and major edits to assessment conditions.	Not equivalent
AHCINF301	Implement property improvement, construction and repair	AHCINF3X1	Implement property improvement, construction and repair	Major Change (New Code)	Unit of competency; minor changes to application, minor changes to element 2 and performance criteria 1.1, 1.4, 2.1 to 2.3 to 2.5, 3.2, to 3.3, and 4.2 to 4.4, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, removed "carry out building or construction work efficiently and safely", "complete minor earthworks to specifications", "read and interpreted maps, plans, site drawing and simple technical drawings", "confirmed that the completed or repaired structure meets the standard specified", "operated a broad range of tools and equipment", and "estimate and calculate volumes, usage and measurements". Minor edits to knowledge evidence, and added "disposal and recycle of waste material, including identification and disposal of hazardous material associated with property improvement, construction and repair", and removed "types of building materials required to carry out property improvements, construction and repairs", "types of building cladding and finishes, purpose and use", and "relevant Codes of Practice with regard to protection of the environment", and major edits to assessment conditions.	Not equivalent

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
AHCINF302	Plan and construct an electric fence	AHCINF3X2	Plan and construct an electric fence	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.1, 1.3 (including removal of one PC), 2.1 to 2.5 (including addition of one new PC), 3.1 to 3.6 (including addition of two new PCs), and 4.1 to 4.4 (including removal of two PCs and addition of one new PC), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and added "applied workplace health and safety requirements, including fitted and used personal protective equipment (PPE)", and "cleaned and tidied up work area, stored tools and equipment and disposed of waste", and removed "calculate and measure fencing requirements and calculate costings off the fencing plan". Major and minor edits to knowledge evidence, and added "fencing plans and site maps relevant to electric fence planning and construction", "disposal and recycle of waste material, including identification and disposal of hazardous material associated with electric fence planning and construction", "workplace procedures relevant to electric fence planning and construction, and disposing of waste materials", and removed "relevant codes of practice with regard to protection of the environment", and major edits to assessment conditions.	Not equivalent
AHCINF303	Plan and construct conventional fencing	AHCINF3X3	Plan and construct conventional fencing	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.1 to 103 (including addition of one new PC), 2.4 to 2.5, 3.1, 3.3, and 4.1 to 4.3 (including removal of one PC), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and added "cleaned and tidied up work areas, stored tools and equipment and disposed of waste", and removed "identify hazards and implement safe work practices", and "carry out fencing operations safely and efficiently". Major and minor edits to knowledge evidence, and added "disposal and recycle of waste material, including identification and disposal of hazardous material associated with conventional fence planning and construction", "workplace procedures relevant to conventional fence planning and construction, and disposing of waste materials", and removed "relevant Codes of Practice with regard to the protection of the environment", and "hazard identification, assessment and control", and major edits to assessment conditions.	Not equivalent
AHCINF304	Install and terminate extra low voltage wiring systems	AHCINF3X4	Install and terminate extra low voltage wiring systems	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.5 to 1.7, 1.8, 2.1 to 2.6 (including removal of one PC and addition of one new PC), and 3.2 to 3.3, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and removed "read labels and signage to differentiate between extra low voltage and other electrical systems", and "read and follow manufactures manuals and enterprise procedures for extra low voltage wiring". Major and minor edits to knowledge evidence, and added "workplace requirements applicable to health and safety in the workplace for installing extra low voltage wiring systems including appropriate use of PPE", and removed "relevant legislation and guidelines for installing extra low voltage wiring", and major edits to assessment conditions.	Not equivalent
Machinery operation and maintenance - MOM						
		AHCMOM3X18	Operate a telehandler	New	Newly created	N/A

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
Plant Culture and Management - PCM						
		AHCPCM3X8	Identify and select plants	New	Newly created	N/A
Work Health and Safety - WHS						
AHCWHS101	Work safely	AHCWHS1X1	Work safely	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to Element 1 and 3, and performance criteria 1.1 to 1.2, 2.1 to 2.3 (including removal of two PCs), 3.1 to 3.2, removal of 4.2 and addition of new 4.2, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and added "fitted and used personal protective equipment (PPE) relevant to work task", and removed "safely operate machines tools and equipment", and "report workplace safety hazards). Minor edits to knowledge evidence and added "workplace incident and emergency response procedures", and removed "relevant machinery and equipment operator manuals", and "relevant work health and safety legislation , codes of practice and enterprise workplace policies", and major edits to assessment conditions.	Not equivalent
AHCWHS201	Participate in work health and safety processes	AHCWHS2X1	Participate in workplace health and safety processes	Major Change (New Code)	Unit of competency; minor changes to unit title and application, major and minor changes to performance criteria 1.1 to to 1.4 (including moving PC 1.6 to element 2, moving PC 1.7 to element 3 and removal of PC 1.5), 2.1 to 2.4 (including removal of three PCs and moving PC 1.6 to PC 2.1), and 3.1 to 3.2 (including removal of one PC and moving PC 1.7 to PC 3.1), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and added "fitted and used personal protective equipment (PPE) relevant to are of work", and "read and followed workplace notices and workplace safety signs, symbols, labels and work instructions". Minor edits to knowledge evidence, and removed "relevant machinery and equipment operator manuals", and major edits to assessment conditions.	Not equivalent
AHCWHS301	Contribute to work health and safety processes	AHCWHS3X1	Contribute to workplace health and safety processes	Major Change (New Code)	Unit of competency; minor changes to unit title and application, minor changes to Element 1 and 3, performance criteria 1.2 to 1.3, 2.1 to 2.6, 3.1 to 3.3 (including removal of four PCs), and 4.1 to 4.4 (including removal of one PC and addition of one new PC), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits. Major and minor edits to knowledge evidence, and removed "manual handling principles and procedures", and "safe systems of work", and major edits to assessment conditions.	Not equivalent
AHCWHS401	Maintain work health and safety processes	AHCWHS4X1	Maintain workplace health and safety processes	Major Change (New Code)	Unit of competency; minor changes to unit title and application, major and minor changes to Elements 1, 2, 5 and 6, performance criteria 1.1 to 1.3, 2.1 to 2.4, 3.1 to 3.3, 3.5, 4.1 to 4.3, 5.1 to 5.2, and 6.1 to 6.2, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits. Major and minor edits to knowledge evidence, and added "workplace health and safety policies, procedures and programs", and removed "accident and incident investigation", and major edits	Not equivalent

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
AHCWHS502	Manage work health and safety processes	AHCWHS5X2	Manage workplace health and safety processes	Major Change (New Code)	Unit of competency; minor changes to unit title and application, minor changes to Elements 1 to 7, performance criteria 1.1 to 1.5 (including addition of one new PC), 2.2 to 2.3, 3.1 to 3.5, 4.1 to 4.2, 5.1 to 5.4 (including addition of two new PCs), 6.1 to 6.3 (including addition of one new PC), and 7.1 to 7.4 (including addition of two new PCs). Assessment Requirements; performance evidence - minor edits and removed "analysed and recorded health and safety data". Minor edits to knowledge evidence, and removed "requirements of workplace discrimination, harassment and bullying legislation", and "public safety issues", and minor edits to assessment conditions.	Not equivalent
Work - WRK						
AHCWRK101	Maintain the workplace	AHCWRK1X1	Maintain the workplace	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to Element 3, and performance criteria 1.1 to 1.6 (including reordering of PCs), 2.1 to 2.6 (including addition of one new PC), and 3.1 to 3.3, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and removed "tally work hours, calibrating tools and equipment, measuring volumes to apply cleaning agents, measuring quantities of materials and estimating areas", "minimise noise, dust and water run-off to prevent nuisance-level environmental disturbance", and "use industry standard terminology". Minor edits to knowledge evidence and removed "sustainability practices in the context of own work", and major edits to assessment conditions.	Not equivalent
AHCWRK201	Observe and report on weather	AHCWRK2X1	Observe and report on weather	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.1 to 1.3 (including removal of three PCs), 2.3, 3.1 to 3.3 (including removal of one PC), and 4.1 to 4.2 (including removal of two PCs), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits and added "identified job requirements and selected tools and equipment", "identified workplace health and safety hazards and risks and reported to supervisor". Major and minor edits to knowledge evidence, and removed "effects of wind chill on metabolism of animals", "effects of prolonged dry periods on pastures and animal production, and natural resources", "effects of extreme heat on animals, including during birthing, and effects of heat stress on neonates", and "sustainability practices in the context of own work", and major edits to assessment conditions.	Not equivalent
AHCWRK202	Observe environmental work practices	AHCWRK2X9	Participate in environmentally sustainable work practices	Merged	Unit content merged with AHCWRK209. See unit content changes at AHCWRK209.	Not equivalent

OLD Unit code from TGA	OLD Unit Title from TGA	NEW Unit code	NEW Unit title	Unit Outcome	Changes that have been made	Equivalency
AHCWRK204	Work effectively in the industry	AHCWRK2X4	Work effectively in industry	Major Change (New Code)	Unit of competency; minor changes to unit title and application, major and minor changes to Elements 3, 4 and 5, and performance criteria 1.2 to 1.4 (including removal of three PCs), 2.1 to 2.4 (including removal of two PCs), 3.1 to 3.4 (including addition of one PC from old element 4), 4.1 to 4.5, (including removal of one PC and addition of three PCs from old element 6), and 5.1 to 5.6 (including removal of one PC and addition of three new PCs), Removal/amalgamation of old Element 4 and 6 (including PCs) into element 3 and 4, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and removed "use industry standard terminology". Major and minor edits to knowledge evidence, and removed "emergency procedures", "awareness of workplace health and safety in the context of own work", "biosecurity in the context of own work", "animal welfare practices in the context of own work where applicable", and "sustainability practices in the context of own work", and major edits to assessment conditions.	Not equivalent
AHCWRK205	Participate in workplace communications	AHCWRK2X5	Participate in workplace communications	Major Change (New Code)	Unit of competency; minor changes to application, removed Element 2 in toto, minor changes to Element 1 and renumbered Elements 2, 3 and 4, and performance criteria 1.1 to 1.3, 2.1 to 2.3 (including removal of two PCs), 3.1, 3.5, and 4.1 to 4.4 (including removal of one PC), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and added "sourced written or electronic information", and removed "estimating, calculating and recording routine workplace measures", "using basic mathematical processes of addition, subtraction, division, multiplication, percentages, decimal points and ratios", "use of industry standard terminology", "awareness of work health and safety in the context of own work", and "appropriate sustainability practices in the context of own work". Minor edits to knowledge evidence, and added "written and electronic sources of information", and major edits to assessment conditions.	Not equivalent
AHCWRK206	Observe enterprise quality assurance procedures	AHCWRK2X6	Observe workplace quality assurance procedures	Major Change (New Code)	Unit of competency; minor changes to unit title and application, major and minor changes to element 1, and performance criteria 1.1 to 1.4 (including reordering of PC's), and 3.1 to 3.5 (including addition of two new PC's), and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and minor edits. Minor edits to knowledge evidence and added "the nature of, and requirements for a HACCP and QA plan", and "risk assessment and identification", and major edits to assessment conditions.	Not equivalent
AHCWRK207	Collect and record production data	AHCWRK2X7	Collect and record production data	Major Change (New Code)	Unit of competency; minor changes to application, major and minor changes to performance criteria 1.1 to 1.7 (including addition of one new PC), and 3.2 to 3.3, and foundation skills added. Assessment Requirements; performance evidence - addition of frequency and major and minor edits, and added "identified workplace health and safety hazards and risks and reported to supervisor", "applied workplace health and safety requirements, including fitted and used personal protective equipment (PPE)", and "followed workplace procedures relevant to collecting and recording production data". Minor edits to knowledge evidence, and major edits to assessment conditions.	Not equivalent
