Release 1	This version released with RGR Racing Training Package Version 1.0.

RGR20117	Certificate II in Racing (Greyhound)

Qualification Description

This qualification reflects the role of individuals who are beginning their careers in the greyhound industry and/or work in one specific area. These individuals undertake a broad range of tasks related to the care and welfare of greyhounds. They work under direction on most occasions but are also able to act autonomously in certain situations that require solutions to a limited range of problems or working as part of a team.

Licensing, legislative, regulatory or certification requirements may apply to this qualification. Refer to your state or territory Controlling Body or Principal Racing Authority for current licence or registration requirements.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:
- 10 units of competency:
    - 7 core units plus
    - 3 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualifications Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:
- at least 2 from the electives listed below
- up to 1 from the *RGR Racing Training Package* or any currently endorsed Training Package or accredited course.
