

**Parks & Gardens UNITS - Pre-draft changes as at 10/11/2020**

OLD Unit code	OLD Unit Title	NEW Unit code	NEW Unit title	Project	Unit Outcome	Changes that have been made	Equivalency Status Not Equivalent (NE) or Equivalent (E)	Summary
AHCPGD201 (Release 1)	Plant trees and shrubs	AHCPGD2XX (Release 1)	Plant trees and shrubs	Parks and Gardens	Major Change (New Code)	Unit of competency; minor changes to application, added new performance criteria 1.1, 4.2, 4.6 and 5.3, removed performance criteria 1.6, major changes, renumbering and reordering of remaining performance criteria, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", "applied soil treatments and amendments", "installed plant protection, stakes and ties", "applied mulch", "cleaned up the site and disposed of waste", and "reported tree and shrub planting operations and unserviceable tools and equipment", removed "apply root treatments", and "install plants". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for planting trees and shrubs, including appropriate use of personal protective equipment (PPE)" and "types and use of plant protection", and specific conditions provided within the assessment conditions.	NE	Code change, added/removed performance criteria, added foundation skills, added frequency to performance evidence and tasks that relate to WHS, applying mulch, soil treatments, disposal of waste, removed apply root treatments. Added WHS requirements to knowledge evidence. Specific conditions added to assessment conditions.
AHCPGD202 (Release 1)	Prepare and maintain plant displays	AHCPGD2XX (Release 1)	Prepare and maintain plant displays	Parks and Gardens	Major Change (New Code)	Unit of competency; minor changes to application, added new element 3 and performance criteria 1.5, 1.6, 2.4, 3.2 and 3.3, moved performance criteria 3.4 to new element 3 (PC 3.1) major changes, edits, renumbering and reordering of performance criteria 1.1 to 1.4, minor edits to performance criteria 2.1 to 2.3, and 4.1 to 4.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", "prepared plant display site", "maintained plant display appearance, including mulching, weeding, dead heading and shaping, and replacing plants", "removed and disposed of waste material", and "reported plant display preparation and maintenance operations and unserviceable tools and equipment", removed "calculate quantities of plants and materials", and "complete plant display in a timely manner". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for preparing and maintaining plant displays, including appropriate use of personal protective equipment (PPE)", and specific conditions provided within the assessment conditions.	NE	Code change, added new Element 3 and some performance criteria. Added frequency to performance evidence and tasks related to WHS, prepare plant display, apply mulch, weeding, shaping and replacing plants, disposal of waste. Added WHS requirements to knowledge evidence. Specific conditions added to assessment conditions.  <b>Note that this is almost identical to the unit above</b>
AHCPGD203 (Release 1)	Prune shrubs and small trees	AHCPGD2XX (Release 1)	Prune shrubs and small trees	Parks and Gardens	Major Change (New Code)	Unit of competency; minor changes to application, new element 3 and performance criteria 1.1, 3.1 and 3.2, major changes, edits, renumbering and reordering of performance criteria 1.2 to 1.6, 2.1 to 2.3, edited and moved performance criteria 2.5 to new element 3 (PC 3.3), and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "secateurs", "loppers or extension loppers", "shears", "pruning or pole saws", "applied workplace health and safety requirements", "prepared, used and maintained shrubs and small trees pruning tools and equipment", "cleaned up the site and disposed of waste", and "reported tree and shrub planting operations and unserviceable tools and equipment". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for pruning shrubs and small trees, including appropriate use of personal protective equipment (PPE)", and specific conditions provided within the assessment conditions.	NE	

OLD Unit code	OLD Unit Title	NEW Unit code	NEW Unit title	Project	Unit Outcome	Changes that have been made	Equivalency Status Not Equivalent (NE) or Equivalent (E)	Summary
AHCPGD204 (Release 1)	Transplant small trees	AHCPGD2XX (Release 1)	Transplant shrubs and small trees	Parks and Gardens	Major Change (New Code)	Unit of competency; title change minor changes to application, minor changes and reordering of performance criteria 5.2 to 5.3, minor changes to performance criteria 1.1 to 1.2, 1.4 to 1.5, 2.3, 3.2, 4.4, and 5.4, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", "cleaned up the site and disposed of waste", and "reported tree and shrub planting operations and unserviceable tools and equipment". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for transplanting small trees and shrubs, including appropriate use of personal protective equipment (PPE)", and specific conditions provided within the assessment conditions.	E	
AHCPGD302 (Release 1)	Plan and maintain plant displays	AHCPGD3XX (Release 1)	Plan and maintain plant displays	Parks and Gardens	Major Change (New Code)	Unit of competency; minor changes to application, major changes reordered and renumbered performance criteria 1.2 to 1.10, 3.3 (formerly 3.4), and 4.2 to 4.5, minor edits to performance criteria 2.1 to 2.2, 3.1, removed performance criteria 3.3, edited and moved performance criteria 4.4 to new element 5 (PC 5.1), new element 5 and performance criteria 1.1, 1.11, 3.2, and 5.2 to 5.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", "selected, used and maintained tools, equipment and machinery required for maintaining plant displays", "checked irrigation system wherer required", "planted stock", "removed and disposed of waste material", and "reported unserviceable tools and equipment", removed "complete plant display in a timely manner". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for planning, installing and maintaining plant displays, including appropriate use of personal protective equipment (PPE)", and "workplace quality specifications applicable to planning, installing and maintaining plant displays", removed "aim and purpose of building plant displays", and "design principles for plant displays", and specific conditions provided within the assessment conditions.	NE	
AHCPGD503 (Release 2)	Manage parks and reserves	AHCPGD5XX (Release 1)	Manage parks and reserves	Parks and Gardens	Major Change (New Code)	Unit of competency; minor changes to application, major changes to elements 1, 2, 3 and 4, performance criteria 1.1 to 3.3, and 4.1 to 4.3, minor changes to performance criteria 3.4 to 3.5, removed elements 5 and 6, and performance criteria 5.1 to 6.2, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied relevant workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures" and "identified, documented and recommended improvements to operations and presented to senior management". Minor edits to knowledge evidence and added "workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures relevant to managing parks or reserves", and specific conditions provided within the assessment conditions.	NE	
AHCPGD101 (Release 2)	Support gardening work			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes and reordering of performance criteria 1.2 to 1.4, 2.5 to 2.6, and 3.1 to 3.2, minor changes to performance criteria 1.1, 1.5, 2.1 to 2.3, and 4.1 to 4.3, performance criteria 3.3 moved to element 2 performance criteria 2.4, removed performance criteria 4.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "reported work outcomes and faulty, worn or damage of tools". Minor edits to knowledge evidence and added "safe work practices used in gardening work", and removed "repair and maintenance of garden features", and "safe work practices", and specific conditions provided within the assessment conditions.	E	

OLD Unit code	OLD Unit Title	NEW Unit code	NEW Unit title	Project	Unit Outcome	Changes that have been made	Equivalency Status Not Equivalent (NE) or Equivalent (E)	Summary
AHCPGD205 (Release 1)	Prepare a grave site			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes, renumbering and reordering of performance criteria 1.2 to 1.4, minor changes to performance criteria 1.5 to 1.7, 2.3 to 2.4, 3.2 and 3.4, added new performance criteria 1.1, 3.6 and 3.7, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "identified and reported workplace health and safety hazards", "applied workplace health and safety requirements", "prepared, used and maintained tools, equipment and machinery for preparation of gravesites", "removed and disposed of waste material", and "reported gravesite preparation operations and unserviceable tools and equipment". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for preparing gravesites, including appropriate use of personal protective equipment (PPE)", "marking out and preparation of gravesite prior to excavation", "gravesite excavation, shoring and securing", and "backfilling and gravesite enhancement", removed "'safe work practices working in and around confined spaces", and "work health and safety responsibilities of employees", and specific conditions provided within the assessment conditions.	E	
AHCPGD206 (Release 1)	Conduct visual inspection of park facilities			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes to performance criteria 1.1 to 1.4, 2.1 to 2.2, and 3.1 to 3.2, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", and "applied workplace presentation standards", removed "carry out a visual inspection of park facility" and "report urgent situations". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for inspection of park facilities", removed "effective maintenance and repair work particularly in relation to end use of the facilities and equipment, and the safety of users", and "the effect of adverse outdoor climatic conditions, such as rain, hail, wind, or very high ultraviolet radiation, on park facilities inspection activities", and specific conditions provided within the assessment conditions.	E	
AHCPGD301 (Release 1)	Implement a plant establishment program			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, added new performance criteria 2.2, 2.3, 5.4, edited and moved performance criteria 2.4 to element 3 (performance criteria 3.6), minor changes, renumbering and reordering of performance criteria 1.2 to 1.5, 2.4 to 2.6, 3.7 to 3.8, minor changes to performance criteria 1.1, 2.1, 4.1, 5.1 to 5.3, and 5.5, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", "selected, used and maintained tools, equipment and machinery required for implementing a plant establishment program", and "checked and confirmed site plan and plant stock", "reviewed site establishment program", and "reported unserviceable tools, equipment and machinery", removed "prepare to establish a planting area". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for implementing a plant establishment program, including appropriate use of personal protective equipment (PPE)", "selection and calculation of stock requirements", and "site planning", and specific conditions provided within the assessment conditions.	E	

OLD Unit code	OLD Unit Title	NEW Unit code	NEW Unit title	Project	Unit Outcome	Changes that have been made	Equivalency Status Not Equivalent (NE) or Equivalent (E)	Summary
AHCPGD303 (Release 1)	Perform specialist amenity pruning			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes to performance criteria 1.1 to 1.4, 1.6, 2.2, 3.1 and 3.4, removed performance criteria 3.3, new performance criteria 1.5 and 3.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "secateurs", "loppers or extension loppers", "shears", "pruning or pole saws", "powered hedgers", "powered secateurs", "applied workplace health and safety requirements", "selected, used and maintained tools, equipment and machinery required for specialist amenity pruning", "identified and inspected plants", "applied site environmental and disease control procedures", and "reported unserviceable tools and equipment". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for performing specialist amenity pruning, including appropriate use of personal protective equipment (PPE)", "types of plants and their pruning requirements, including: climbing plants, fruiting plants, standard plants", and "site environmental procedures applicable to performing specialist amenity pruning", and specific conditions provided within the assessment conditions.	E	
AHCPGD304 (Release 2)	Implement a landscape maintenance program			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes and renumbering of performance criteria 2.4 to 2.7, minor changes to performance criteria 1.1 to 1.2, and 2.1, removed performance criteria 1.3 to 1.5, added new performance criteria 1.3 and 2.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", "completed general site inspection", "performed general plant maintenance, including:", "weeding", "fertilising", "watering", "pruning", "pest and disease control", "tidying up", "blowing", "sweeping", and "cleaning". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for a landscape maintenance program", "common maintenance tasks for landscapes", removed "horticultural practices for heritage and cultural areas", "landscape maintenance programs or contracts", "optimal growing conditions for a range of plants:", and "principles and applications of an integrated pest management (IPM) program", and specific conditions provided within the assessment conditions.	E	
AHCPGD305 (Release 1)	Conduct operational inspection of park facilities			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes, renumbering and reordering of performance criteria 1.2 to 1.7, 2.3 to 2.4, and 3.3 to 3.4, minor changes to performance criteria 1.1, 2.1, and 3.1, added new performance criteria 2.2 and 3.2, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and removed "interpret design symbols and terminology". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for conducting an operational inspection of park facilities, including appropriate use of personal protective equipment (PPE)", and "principles and practices of park facility operational inspection, including:", and specific conditions provided within the assessment conditions.	E	

OLD Unit code	OLD Unit Title	NEW Unit code	NEW Unit title	Project	Unit Outcome	Changes that have been made	Equivalency Status Not Equivalent (NE) or Equivalent (E)	Summary
AHCPGD306 (Release 1)	Implement a maintenance program for an aquatic environment			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes and reordering of performance criteria 1.2 to 1.4, minor changes to performance criteria 1.1, 2.3, and 3.1 to 3.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied workplace health and safety requirements", and "selected, used and maintained tools, equipment and machinery required for implementing a maintenance program for an aquatic environment". Minor edits to knowledge evidence and added "workplace requirements applicable to health and safety in the workplace for implementing a maintenance program for an aquatic environment, including appropriate use of personal protective equipment (PPE)", and specific conditions provided within the assessment conditions.	E	
AHCPGD401 (Release 1)	Design plant displays			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, added new performance criteria 1.3, renumbered performance criteria 1.4 to 1.6, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "consulted with clients", "applied relevant workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures", "determined timelines and budget constraints", and "developed concept plan and design plan, including maintenance program". Minor edits to knowledge evidence and added "workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures relevant to designing plant displays", and specific conditions provided within the assessment conditions.	E	
AHCPGD402 (Release 2)	Plan a plant establishment program			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes to performance criteria 1.1 to 1.2, 1.4, 2.3 and 2.6, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied relevant workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures", and "documented plant establishment program, site plan, work procedures, schedules, and specifications". Minor edits to knowledge evidence and added "workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures relevant to planning a plant establishment program", "local by-laws and restrictions relevant to planning a plant establishment program", and "principles and practices of plant establishment program planning, including:", and specific conditions provided within the assessment conditions.	E	
AHCPGD501 (Release 1)	Manage plant cultural practices			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, moved performance criteria 2.2 to element 3 performance criteria 3.2, minor changes, renumbering and reordering of performance criteria 2.2 to 2.5, 3.3 to 3.5 and 4.4 to 4.5, minor changes to performance criteria 1.2 to 1.4, 3.1 to 3.2 and 4.2, added new performance criteria 4.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied relevant workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures", "determined and implemented staff training and development where required" and "completed plant cultural program report", removed "plant maintenance practices". Minor edits to knowledge evidence and added "workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures relevant to managing plant cultural practices", and specific conditions provided within the assessment conditions.	E	

OLD Unit code	OLD Unit Title	NEW Unit code	NEW Unit title	Project	Unit Outcome	Changes that have been made	Equivalency Status Not Equivalent (NE) or Equivalent (E)	Summary
AHCPGD502 (Release 1)	Plan the restoration of parks and gardens			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes to performance criteria 1.1, 1.3 to 1.4, 1.6, 2.1 to 2.3, 2.6 and 3.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied relevant workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures" and "determined requirements of the restoration work", removed "prepare a site plan that can be understood by on site personnel". Minor edits to knowledge evidence and added "workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures relevant to planning the restoration of parks and gardens", and specific conditions provided within the assessment conditions.	E	
AHCPGD504 (Release 1)	Develop and implement a streetscape management plan			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes and reordering of performance criteria 1.1 to 1.2, minor changes to performance criteria 3.3 and 6.3, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "consulted with clients, planning team, major stakeholders and residents". Minor edits to knowledge evidence, and specific conditions provided within the assessment conditions.	E	
AHCPGD505 (Release 1)	Conduct comprehensive inspection of park facilities			Parks and Gardens	Minor Change (Same Code)	Unit of competency; minor changes to application, minor changes and reordering of performance criteria 1.2 to 1.3, minor changes to performance criteria 1.1, 1.4, 2.1 to 2.4, and 4.2 to 4.5, amalgamated content of performance criteria 2.5 into 2.2 and removed performance criteria 2.5, and inclusion of foundation skills. Assessment Requirements; performance evidence - addition of frequency, minor edits and added "applied relevant workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures", "selected, used and maintained tools and equipment required for testing and comprehensive inspection of park facilities", "completed inspection records and reports, including photographs where required and submitted to management", "made improvements to inspection documentation or practice", and "made recommendations to management". Minor edits to knowledge evidence and added "workplace health and safety and environmental and biosecurity legislation, regulations and workplace procedures relevant to conducting a comprehensive inspection of park facilities", and "software and hardware relevant to park facilities inspection", and specific conditions provided within the assessment conditions.	E
