FWPCOT2XXX	Select and mark trees for tending operations
Application	<p>This unit of competency describes the skills and knowledge required to select trees for tending treatments including thinning, pruning, and treating for pests as part of forestry operations.</p> <p>The unit applies to individuals who select and mark trees as part of forestry operations.</p> <p>All work must be carried out to comply with workplace procedures, according to state/territory health and safety regulations, legislation and standards that apply to the workplace.</p> <p>No licensing, legislative or certification requirements apply to this unit at the time of publication.</p>
Prerequisite Unit	Nil
Unit Sector	Common Technical (COT)

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Prepare for tending operations	1.1 Determine job requirements from work order or instruction, and where required, seek clarification from appropriate personnel 1.2 Confirm safety and environmental requirements for the task according to workplace procedures 1.3 Identify, assess and take actions to mitigate risks and hazards associated with tending operations 1.4 Identify emergency and evacuation procedures to follow in the event of an emergency 1.5 Consult with appropriate personnel to ensure that work is coordinated effectively with others in the work place 1.6 Select tools, equipment and materials required for task according to workplace procedures 1.7 Plan tree selection and marking operations according to work order or instruction
2. Select and mark trees for tending	2.1 Locate forest area for tree selection according to work order 2.2 Designate trees for particular tending treatments according to work order 2.3 Mark or re-mark trees using appropriate marking method and equipment 2.4 Make recommendations for further tree selection to appropriate personnel 2.5 Complete records of tree selection and marking operations and forward to appropriate personnel

Foundation Skills	
<i>This section describes those language, literacy, numeracy and employment skills that are essential for performance in this unit of competency but are not explicit in the performance criteria.</i>	
Skill	Description
Reading	<ul style="list-style-type: none"> Extract key information from workplace documents on tree selection and marking

Foundation Skills	
<i>This section describes those language, literacy, numeracy and employment skills that are essential for performance in this unit of competency but are not explicit in the performance criteria.</i>	
Skill	Description
Writing	<ul style="list-style-type: none"> Complete workplace forms using required format, industry terminology and structure
Oral Communication	<ul style="list-style-type: none"> Employ active listening and questioning to confirm work instructions
Numeracy	<ul style="list-style-type: none"> Count numbers of branches and trees at regular intervals during selection process
